

How do I make a gift?

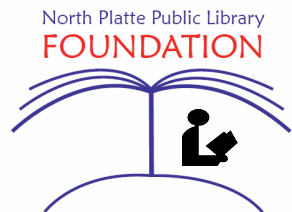

It is easy to gift! Simply fill out the gifting form on the other side and return it with your gift. If you have specific questions or wish to receive help in gifting land, insurance, and other types of gifts, please contact the Mid-Nebraska Community Foundation.

I'm on a budget, how else can I help?

The NPPL Foundation realizes that many people wish to contribute to a good cause, but may not have the financial resources to gift. All gifts are accepted and you can determine what size or type of gift best suits your budget. If you would like to contribute in-kind gifts through event volunteerism, please contact Cecelia Lawrence at 308-535-8036 x3321 or info@npplfoundation.org

What will my gift be used for?

The North Platte Public Library receives its primary operating funds from the City of North Platte. The NPPL Foundation is currently designed to provide support for future capital building projects. The NPPL Foundation is not intended to provide ongoing support for basic collection maintenance and staffing.

About The NPPL Foundation

The North Platte Public Library (NPPL) Foundation is a non-profit charitable organization started in 2002.
